## Check out the National Archives History Hub

**Ask questions, get help with your research, and share information!**

[History Hub](#) is a pilot support community for historians and other history enthusiasts, researchers, genealogists, citizen archivists, open government advocates, and archival professionals. It is a place to ask questions, share information, work together, and find help based on experience and interests. History

Hub offers tools like discussion boards, blogs, and community pages to bring together experts and researchers interested in American history. Think of it as a one-stop shop for crowdsourcing information related to your research subject.

Transcribers, there's a group just for you. You can share tips and strategies, find new challenges, and get support for your work [here](#).
