The Honorable David S. Ferriero Archivist of the United States U.S. National Archives and Records Administration Washington, D.C.

Dear Mr. Ferriero.

I write concerning requests for documents and records sent to the National Archives and Records Administration ("NARA") on March 25, 2021 and August 25, 2021, by the Select Committee to Investigate the January 6th Attack on the United States Capitol (the "Committee"). The Committee requested an extremely broad set of documents and records, potentially numbering in the millions, which unquestionably contain information protected from disclosure by the executive and other privileges, including but not limited to the presidential communications, deliberative process, and attorney-client privileges.

On October 15, 2021, NARA noticed the fourth set of records for review (P000001 – P000511)<sup>1</sup> (the "Fourth Notification").<sup>2</sup> Following a review of such records, pursuant to the Presidential Records Act, Executive Order 13489, and 36 CFR 1270.44, I have determined that the following records contain information subject to executive privilege, including the presidential communications and deliberative process privileges, and I hereby formally assert executive privilege over these records:

PC000259 - PC000260
PC000280 - PC000281
PC000442 - PC000447
PC000505 - PC000511

It is my understanding that NARA has determined that records numbered PC000448 and PC000449 are non-responsive and will not be produced to the Committee.

The Bates range identified above (P000001 – P000511) includes both classified and unclassified records. For purposes of this letter, classified records shall be identified as "PCXXXXXX" and unclassified records shall be identified as "PUXXXXXX".

On November 15, 2021, I made a formal assertion of constitutionally based privilege over a portion of the Fourth Notification (P-N001025 – P-N001064). It is my understanding that NARA, at the request of White House Counsel's Office, agreed to extend the deadline for the review of this portion of the Fourth Notification (P000001 – P000511) to December 22, 2021.

It is my understanding that the Committee has deferred its request for the records identified below. Although no decision with respect to executive or other privileges needs to be made now, I hereby reserve my right to make a formal assertion of executive or other privileges over these records at the appropriate time.

It is my understanding that the Committee has withdrawn its request for the records identified below. Although no decision with respect to executive or other privileges needs to be made now, I hereby reserve my right to make a formal assertion of executive or other privileges over these records at the appropriate time.

Additionally, certain documents included in the Fourth Notification may be subject to other privileges, including without limitation the attorney-client and work-product privileges. To the extent required, any attorney-client or other privilege is not waived and a further review may be required depending on the outcome of the process provided for under the Presidential Records Act, 36 CFR 1270.44, and Executive Order 13489.

Remainder of Page Intentionally Left Blank

Finally, pursuant to the Presidential Records Act, Executive Order 13489, and 36 CFR 1270.44, I hereby make a protective assertion of constitutionally based privilege with respect to all additional records following the Fourth Notification. In cases like this, where Congress has declined to grant sufficient time to conduct a full review, there is a longstanding bipartisan tradition of protective assertions of executive privilege designed to ensure the ability to make a final privilege assertion, if necessary, over some or all of the requested material. See Protective Assertion of Executive Privilege Regarding White House Counsel's Office Documents, 20 Op. O.L.C. 1 (1996) (opinion of Attorney General Janet Reno). This protective assertion is intended to ensure that I have the ability to make a final assertion of executive privilege, if necessary and appropriate, following a full review of the requested materials. See Letter for the President from William P. Barr, Attorney General, at 1–2 (May 8, 2019).

Sincerely,
