1. LEADS INVESTIGATED BY CIA, Disseminations to the Intelligence Community, Correspondence between the Warren Commission and the CIA.
2. Each document is listed in chronological order in the first column with an indication of the type of document involved (DIRECTOR cable disseminated by electrical means; CSCI dissemination; memorandum or letter - including DDP log number assigned to document, and finally, the number assigned by the Warren Commission to a document received from the CIA).
3. An asterisk in column (A) indicates that the subject of the document originated in CIA, either in the field or headquarters.
4. An abbreviation of a component of the U. S. Government in column (B) indicates that the originator of the subject of the document was other than the CIA. An entry in both columns indicates that a U. S. representative abroad passed the lead in the field to the local CIA Station.
5. The last column indicates which component(s) received copies of the CIA dissemination or memorandum. An entry appearing in brackets indicates that the [recipient] received the document at a later time. A reference to the DDP Registry number of the memorandum forwarding a given document at a later time is contained in brackets.

1. LEADS INVESTIGATED BY CIA. This list does not include disseminations or memoranda on Gilberto ALVARADO Ugarte and Silvia Tirado de DURAN. These two leads have been treated separately elsewhere in this study.
2. Each document is listed chronologically in the first column with an indication of the type of document involved (OUT Teletype Message - DIRECTOR cable disseminated by electrical means; CSCI dissemination - through regular liaison channels, or memorandum). Following the subject of the document there is an appropriate excerpt from the document.
3. An asterisk in the column headed by (A) indicates that the lead originated in CIA, either in the field or headquarters.
4. An abbreviation of a component of the U.S. Government in the column headed by (B) indicates that the originator of the lead ^{was other than the} not CIA and that the later responded to the originator. An entry appearing in both columns indicates that a U.S. representative abroad passed the lead in the field to the local CIA Station. (representative).
5. The last column indicates which component(s) received copies of the CIA dissemination or memorandum. The entry appearing in brackets indicates the recipient received the document at a later time.

"1. Forwarded as Attachment A is a resume of the observed activities of Valeriy Vladimirovich KOSTIKOV and Ivan Gavrilovich ALFERIEV as reported by a reliable source in Mexico City. Attention was given to KOSTIKOV because of the indication that he is the consul who interviewed OSWALD on 28 September 1963 . . . ALFERIEV travelled with KOSTIKOV to northern Mexico during the early part of September 1963. Source reported that during the period under review the observed activities of KOSTIKOV and ALFERIEV appeared to be normal, as did the activities of the entire Soviet Embassy complement.

She characterized 'LEE' as a man full of hate and violence, and speculated that he had been 'misused by a group'. She said she had written to GIBSON (undoubtedly Richard GIBSON, U.S. citizen of Lausanne, Switzerland, born 13 May 1935, a Castro sympathizer, who had visited the Netherlands recently and was in contact both with the Soviet Ambassador and the Cuban Embassy).

"Later on 23 November, Maria SNETHLAGE talked again to Third Secretary SANTOS and said that 'Mr. LEE of the Fair Play for Cuba Committee' had been slandered. It was another person, 'named Lee OSWALD', who had done it. SNETHLAGE is reported to have been in Cuba in January and again in May 1963.

"Dutch authorities have informed us that on 7 November, in talking about attacks by Cuban refugees against the Cuban mainland, SANTOS had replied 'just wait and you will see what we can do. It will happen soon'. Asked to be more precise, SANTOS had replied 'just wait, just wait'. SANTOS is reported to have a pro-Castro brother in the U.S.A.

"2. On 4 November 1963, a U.S. Army Pfc Eugene B. DINKIN, serial number RA 76710292, about 24 years old, went absent without leave from his unit, Headquarters Company, U.S. Army General Depot, Metz, France. He was scheduled for a psychiatric examination that same day. He apparently entered Switzerland using a false Army identification card with forged travel orders.

"3. On 6 and 7 November 1963 he appeared in the Press Room of United Nations Office in Geneva and told reporters he was being persecuted. He also wished to alert the world to the U. S. Government 'propaganda campaign'. Army reports show that he voluntarily returned to his unit in Metz on or about 11 November 1963.

"4. Around 26 November 1963, after President Kennedy had been assassinated, a Geneva journalist named Alex des FONTAINES, stringer for Time-Life and correspondent for Radio Canada, was reported to be filing a story to the Paris office of Time-Life recounting Private DINKIN's visit to Geneva and quoting DINKIN as having said that 'they' were plotting against President Kennedy and that 'something' would happen in Texas. Des FONTAINES had been prompted to do this by an unidentified female reporter who had recalled such statements by DINKIN; des FONTAINES thought he recalled he had heard DINKIN say something like that also, and although he did not really believe that DINKIN had grounds for his statements when he made them, he filed the story just to be sure.

"On the question of why Lee OSWALD felt that he could not get his Mexican visa extended without using his real name, the following may be germane: Mexican immigration records checked by the U.S. Consulate in Nuevo Laredo and reported through the U.S. Embassy to both out office and yours, showed that Lee OSWALD entered Mexico on 26 September 1963 using the name HARVEY OSWALD LEE. It may be that OSWALD feared that any attempt to extend his visa would result in discovery that he was in the country under a false name; he might have had to show some identification to get the visa extended, and he probably had no documentation in the name of HARVEY OSWALD LEE."

Subject: Lee Harvey OSWALD.

"Records of the Foreigners Records Office of the German Federal Republic in Cologne, Germany, show that Marina Nikolayevna PUSAKOVA OSWALD crossed West Germany from East Germany to Holland on 3 June 1962. She traveled by rail, crossing into West Germany at Helmstedt on 3 June and entering Holland by rail at the Bentheim crossing point. She had West German visa 694/62 issued at the West German Embassy in Moscow. She listed her final destination as U.S.A. Comment: This confirms information from the U.S. Embassy in Moscow to the effect that the OSWALD family traveled from Moscow to Rotterdam by rail around 3 June 1962. Helmstedt and Bentheim are on the main rail route from Russia to Rotterdam. While Lee OSWALD himself and their infant daughter are not recorded in German records, this probably because little attention is paid to U.S. citizens and to infants in keeping travel records."

The entry is under the date 26 October 1959 when OSWALD was allegedly confined in an unidentified Moscow hospital. . . . It is apparent that every effort should be made to identify the elderly American, if he existed. . . . We assume the lead is still outstanding. It is our recommendation that the Department of State urgently request through its channels a careful search of Embassy and Consular records in Moscow which might reveal the identity of an elderly American hospitalized at the end of October 1959 and possibly registered with the Embassy as a tourist. Subject: Assassination of President John F. Kennedy - Verification of Entry in "Historic Diary". [DDP 4-1606]

"2. We have received a report that the hospital to which OSWALD was taken by Soviet authorities after the suicide attempt mentioned in his 'Historic Diary' may have been the Botkinskaya Hospital in Moscow. The 1958 and 1962 Moscow telephone directories for Organizations and Institutions, list a hospital named S. P. Botkina. Our specialists advise that a native of Moscow would normally refer to this hospital as the 'Botkinskaya'. It is said to be the hospital to which foreigners and diplomatic personnel are generally taken in the event of an emergency or serious illness, and the building or wing of the hospital is reported to be especially designated for this purpose.

"3. We would appreciate receiving information on any Americans who might have been patients at the 'Botkinskaya' in the fall of 1959 that may be contained in your files or those of your Embassy in Moscow."

This photograph was taken by an American tourist in Minsk on or about 11 August 1961. Although the persons in the photograph are not identified in our files, we believe on the basis of comparison with other pictures that the second person from the right is Lee Harvey OSWALD.

"3. It is worth noting that the person believed to be OSWALD is wearing a short-sleeved sport shirt of the same design or pattern as one worn by OSWALD in pictures taken of him in his apartment in Minsk in 1962. Memorandum for J. Lee RANKIN, General Counsel etc.
Subject: Documents on Lee Harvey OSWALD Furnished by the Soviet Govern-
ment. [DDP 4-1764]

"1. The Soviet documents forwarded to this Agency under your letter of 20 May 1964 provide some additional detail on OSWALD. The information in these documents parallels that already available from other sources, and does not contradict our previous information. The documents do clarify somewhat OSWALD's alleged occupation at the Minsk radio plant giving the original Russian terms used in describing his job. . . .

"2. The following points relating to the documents are worth noting:

"a. A significant omission from the materials provided is the letter OSWALD allegedly wrote to the Supreme Soviet requesting Soviet citizenship. . . .

"b. OSWALD signed a receipt in 1960 for his Identity Document for Stateless Persons, and a second receipt in 1962 for his Identity Document for Foreigners. The similarity of wording of the receipts regarding his understanding of Soviet residence and travel regulations further supports our belief that such regulations are identical or nearly identical for bearers of either type of identity document. This means that OSWALD should have obtained permission in July 1961 to travel to Moscow, but, as we know from other cases, failure to obtain travel permission is not uncommon and not a serious offense.

"c. The inclusion of Marina's exit visa 'application' is singular in view of the fact that the Commission had not requested information on Marina. . . .

"d. The Soviet translators for OSWALD's early documents are believed to be identical with persons already referred to in OSWALD's 'diary'. . . .

"3. The format and wording of subject documents appear to be consistent with Soviet practice."

[DDP 4-2770]

"1. Reference is made to your memorandum of 31 March 1964 requesting any information on George and Jeanne de MOHRENSCHILDT that is available in CIA files. Our review shows that the files contain reports received from other U.S. Government agencies, primarily the FBI as well as some information developed by this Agency in 1957 and 1958. The review also produced references to information in the records of the Coordinator of Information and the Office of Strategic Services. According to records of those agencies, George de MOHRENSCHILDT had been considered for employment in 1942, but was not hired because he was alleged to be a Nazi espionage agent. No information developed by CIA (or its predecessors) before the assassination of President Kennedy had established any link between the de MOHRENSCHILDTs and Lee Harvey OSWALD or his family.

"9. You may also wish to make inquiries at the Office of Naval Intelligence; the Assistant Chief of Staff, Intelligence, Department of the Army; the Department of State, and the Civil Service Commission because these departments also have information about George de MOHRENSCHILDT."

"1. The following remarks have been recently attributed to Soviet Consul Pavel Antonovich YATSKOV in Mexico City regarding the subject.

'I met OSWALD here. He stormed into my office and wanted me to introduce and recommend him to the Cubans. He told me that he had lived in the USSR. I told him that I would have to check before I could recommend him. He was nervous and his hands trembled, and he stormed out of my office. I don't believe that a person as nervous as OSWALD, whose hands trembled could have accurately fired a rifle.'

Subject: Statements Reportedly Made by George and Jeanne de MOHRENSCHILDT Concerning Lee Harvey OSWALD and the Assassination of President Kennedy. [DDP 4-3479]

"1. The information furnished below has been received from usually reliable sources and consists of statements reportedly made by the de MOHRENSCHILDTs concerning Lee Harvey OSWALD and the assassination of President Kennedy.

"a. Shortly after the assassination of President Kennedy, George and Jeanne de MOHRENSCHILDT were among the guests attending a cocktail party in Haiti. . . . The de MOHRENSCHILDTs were asked if there was any substance to the view expressed in certain foreign periodicals such as L'Express, a left-wing Parisian weekly newspaper, that the Kennedy assassination was a plot organized by Dallas millionaires. George de MOHRENSCHILDT said that President Kennedy was hated by the Dallas elite, and he felt that it was very likely that certain reactionary elements in Dallas had organized a plot to get rid of Kennedy and used a disturbed person such as OSWALD to achieve their ends. Mrs. de MOHRENSCHILDT agreed fully with this thesis.

"2. With respect to the same question, Yuriy NOSENKO was asked if any attempt had been made by the Soviets to exploit OSWALD for propaganda purposes, such as Radio Moscow broadcasts, telecasts, or lectures. NOSENKO replied that this had not been done either in Moscow or in Minsk.

The captured documents in this set range in dates from July 1936 to November 1937 and contain the statement that JOESTEN had been a member of the Communist Party of Germany since 1932. You will note that the attention of the German security organs was directed at JOESTEN as early as 1936. At that time the Communist Party had been outlawed in Germany and the German authorities apparently had begun collecting information about JOESTEN and his activities. JOESTEN is revealed in a German Security Police memorandum, dated November 8, 1937, to have been an active member of the German Communist Party (KPD) since May 12, 1932; he was issued Communist Party membership card (Mitgliedsbuch) No. 532315.
